Globalization, Gender, and Religion The Politics of Women's Rights in Catholic and Muslim Contexts

Globalization, Gender, and Religion | SpringerLink

[Access article in PDF] Globalization, Gender and Religion: The Politics of Women's Rights in Catholic and Muslim Contexts , eds Jane H. Bayes and Nayereh Tohidi, New York: Palgrave, 2001. For the editors, the motivation for this book was the astonishing alliance between the Roman Catholic Church and fundamentalist Islam to resist the progressive agenda of women's rights groups in the world.

Religion and Globalization: New Possibilities, Furthering

This chapter's approach to religion and globalization starts with an understanding of how the exercise of authority varies in religious contexts and with a firm grasp of the interplay of the erudite and institutional, and the popular, in religious life.

Globalization's impact on gender equality: What's happened

Religion and globalization can also be seen as partners in historical change. In times past, religion, in various manifestations, has been a carrier of globalizing tendencies in the world. The history of Christianity, of course, can be understood in part as an early effort to create a global network of believers. Its extraordinary growth and influence as a world religion was a result of a ...
