For most women, homeopathic medicine can help enormously in the run-up to the birth of a baby and in avoiding or reducing some of the problems associated with labour, as well as in dealing with post-natal symptoms. This is the follow-up to the article "Common problems in pregnancy", that was published in our Spring issue

Labour and childbirth - British Homeopathic Association

pregnancy and birth. Self-care with homeopathy during pregnancy can be rewarding. A correctly-chosen remedy can work gently and efficiently to relieve discomfort and help the body heal itself without toxicity or side-effects. Of course care and guidance from a competent, sympathetic physician is very important during pregnancy for both general support and to monitor for complications. Physical ...
