The Impact Zone is a unique instructional guide in that everything in it either focuses on or applies to improving a golfer's understanding and execution of impact. Here, acclaimed professional golfer Bobby Clampett concludes that the overwhelming bias and convention of today's contemporary teaching environment is to value swing styles over swing dynamics, and in so doing, the overwhelming ...

The impact zone, an area measuring a couple of feet before the ball and a couple after it, is what good golf is all about. As such, it should be studied, practiced, and trained more than anything else, yet it isn't. Hundreds of instruction manuals and DVDs fail to deal with it in any real sense, but impact should not be left as a blur. Impact is the precise moment that decides where the ball ...
