The Naked Woman : A Guide To The Female Body By Desmond Morris

The Naked Woman by Desmond Morris is a book every woman should read at least once. It explores the female's body through its different sections. Morris describes the female form in much detail literally from the hair to toe. But this is far from a boring anatomy read that it looks to be. The book entertains: be it through women protruding their naked buttocks at the front door in the hope ...

How to Draw a front view of a nude woman - WonderHowTo

When *The Naked Woman* was originally published in 1950, critics doubted a woman writer could be responsible for its shocking erotic content. In this searing critique of Enlightenment values, fantastic themes are juxtaposed with brutal depictions of misogyny and violence, and frantically build to a fiery conclusion.
